

REQUEST FOR PROPOSAL – FUND MANAGEMENT SERVICES AND SFDR

[Annycent Capital](#) is an alternative investment management firm, investing in small to medium-sized (25-200 MW) renewable energy assets, mainly solar PV, wind and hydro projects, in a select group of high-growth emerging markets.

Annycent's investments are designed to generate attractive risk-adjusted returns for investors, while advancing environmental and social objectives aligned with the U.N. Sustainable Development Agenda and the Paris Agreement.

To this end, Annycent Capital is seeking support to:

1. Format Marketing Materials provided by Annycent Capital, in line with Annycent's current design environment,
2. Update Annycent's website with new content.

Note, it is not required that the consultant create the content on behalf of Annycent's team, but ensure that Annycent Marketing Material are developed in a coherent way and improve the company's corporate image.

Interested service providers are encouraged to engage with the Annycent team to obtain further detail. All communication should include gabriel@annycent.com, copying info@icfa.lu by 14:00, February 26th 2024.
